## International Conference on MODERN ELECTRICAL AND ENERGY SYSTEMS

September 23-25, 2019  
Kremenchuk Mykhailo Ostrohradskyi  
National University, Ukraine

---

### Registration Fees

#### For international participants:

IEEE Members:	250 EUR
non-IEEE Members:	300 EUR

#### For participants from Ukraine

IEEE Members:	25 EUR
non-IEEE Members:	35 EUR
Students:	10 EUR
Students and Postgraduate Students (IEEE Members) (Sole participation):	5 EUR

---

### Scope

The MEES Conference is aimed at the presentation of recent advances on analysis and synthesis in electromechanics, electrical and power engineering as well as to provide a discussion on novel technical inventions in accordance with the conference topics.

---

### Conference Topics

The topics of the conference will include, but are not limited to:

- **Electromechanics** – electrical machines and actuators, diagnostics and monitoring
- **Electrical and power systems engineering** – modern trends in electrical grids (distributed generation and smart grids), renewable and alternative energy
- **Industrial electronics** – design, manufacturing and simulation of semiconductor devices and converters
- **Simulation in electrical engineering**
- **Electrical Engineering Education and Education Technologies**

---

### Industrial application & Industry 4.0

### Paper submission

The working language of the conference is English. Prospective authors are requested to submit full paper proposals (4 full pages) prepared according to IEEE double column conference proceedings format (use Microsoft Word 2003 template):

[http://www.ieee.org/conferences\\_events/conferences/publishing/templates.html](http://www.ieee.org/conferences_events/conferences/publishing/templates.html)

Submissions must present original ideas, must not have been published elsewhere (conference or journal) during the review period. Each author is allowed to submit and present not more than 3 papers. All submitted papers will be blind reviewed by at least two independent reviewers. Each accepted paper must be presented at the conference by one of the authors. Accepted and presented papers will be published in Conference Proceedings and intended for international publication through IEEE Xplore. Papers not presented will not be published.
